SITE MAP

FRONT PAGE

TOP BORDER OF GRASS:

This area is currently blank – in the future it may show a scrolling marquee if there are any “hot” messages that need quick notice.

LEFT COLUMN:

The navigation buttons **WITHOUT** arrows will take you directly to a single page.

The navigation buttons **WITH** arrows have multiple choices for page selections (see next page in this document for details).

The logos below the navigation buttons will link directly to the web site of that preferred vendor.

CENTER COLUMN:

The “*CURRENT EVENT*” box is a scrollable box that will use primarily a black vertical scroll bar to be able to read any messages, current events or activities that need to be reviewed. If the box is not full – no scroll bar will be viewable. Inside this box will be links to click on that will continue the information to another page or form if deemed too long to be loaded in this area.

The “*NEWS HEADLINES*” box is also a scrollable box that will use a black vertical scroll bar to read any current news articles that have links to other web site sources. Examples to link to will be the Plano Star Courier, Dallas Morning News, HSGAMETIME or any other high school soccer web sites.

RIGHT COLUMN:

The “*PLAYER RECOGNITION*” area will change weekly with the photos of 3 Varsity and 3 JV players in alphabetical roster order. All pictures will be supplied by BILL YOUNG PHOTOGRAPHY. Please go to his web site (use link on any page) to purchase copies of any photos shown on this site.

The “*WILDCAT PHOTOS*” section contains a slideshow and individual team photos. When you click on that object – it will change to a FULL SCREEN view. The slideshow can be viewed one picture at a time or started continuously by clicking on the AUTO arrow. If you stop (pause) the slideshow, you can restart it and will continue at the point that you stopped it. It can also be closed at any time you choose. Once you close this picture, it will return to the original size.

BOTTOM SECTION:

This area contains a silver bar to link to a weather web site that will help you find out what the game conditions may be for that day or in a 5 day forecast. This link was chosen based on recommendation of a retired Delta Airlines pilot that flew for them for 27 years.
