**NOTE:**

Traffic after 5 PM is slightly heavy in that area. Long lights on INWOOD.

Entrance to the school is hard to see - get in right lane BEFORE red light after crossing 635.

Slow down and watch for small entrance sign. Limited parking on campus - most reserved for Jesuit season ticket holders. May have to parking in shopping strip across the street or on St. Rita campus next door.

Jesuit was remodeling the stands in November 2009 - they are aluminum benches - will need seat pads or seat chairs.
